1. PREAMBLE

1.1 The EMUI_ EuroMed University (EMUI)

International Academic and Research Center (Union for the Mediterranean), Tax Number: ESG87905626, the EMUI_ EuroMed University, www.emui.eu, is a Interuniversity Platform for Innovation (Research, Higher Teacher and Training - LLP), by adapting existing (or new design) projects and programs to the Priorities of the *Horizon EU Framework Program 2020*. Joint management and open offer, especially for students from Southern Mediterranean countries.

As a public institution the EMUI is a member of the Anna Lindh Foundation - EUROMED, networks Malta, Spain and Italy, respectively from 2008, 2014 and 2017, www.emui.eu/annalindh_foundation.html

Through the **Union for the Mediterranean** (UfM) the EMUI will collaborate in designs of actions and priority programs that involve innovation at the level of styles and teaching techniques based on the specific demands of specific training. EMUI programming is intended to be complementary to other existing similar ones, without duplicity with respect, especially, to the offer made by the **Euro-Mediterranean University EMUNI** (Piran Slovenia) and the **Euro-Mediterranean University of Fes UEMF** (Morocco)

EMUI_ Foundational Goals |

- 1.- To develop teaching and research quality programs focused on the European Union and its projection upon the Mediterranean Area.
- 2.- To form professionals in every area of punctual interest for European and Euro-Mediterranean institutions. These professionals will meet the standards of quality set by social, political and economic sectors involved.
- 3.- To offer programs of continuous education for updating knowledge and basic skills of the above referred professionals.
- 4.- To foster the spreading of results through specialized media. There will be also a presence in general media, according to the interests of their users.
- 5.- To draw up proposals of continuous education through courses, seminars or conferences that will be available to any citizen, with the purpose of guaranteeing accurate and critical information on the ongoing development of the EU, particularly in relation to Mediterranean issues.
- 6.- To advise public and private institutions on the aforementioned issues. Consultant panels will be set up to pursue this goal.
- 7.- To set up institutional teaching and research networks, with or without extra-communitarian partners, in order to improve the spreading of results. It will be also be a target to establish partnerships with other institutions in order to create local, regional or communitarian programs to be developed at the affected geopolitical areas.

1.2 The University of Sousse (Tunisia)

(Description of activity and reasons for joining the Agreement)
